

KJ GOLF SCHOOLS PROGRAMME

THE SCHOOLS PROGRAMME

Kegan and the team have dedicated the last 10 years building the junior academy and investing time and money on developing their skills and knowledge to improve every year. The team consist of 3 PGA Professionals and a dedicated junior developer.

The academy now consists of over 80 juniors aged from 4-21 years old. We now have 6 groups- copper, bronze, silver, gold, platinum and elite green. The sessions take place every Saturday at Market Harborough Golf Club.

The schools programme is a much more simplified version of the academy programme to ensure it suits the school facilities and equipment. Our coaching is not just about hitting balls- it is about creating athletes, ensuring they get out on the course at an early age and making sure they are having FUN throughout the journey.

You will be able to physically see how your students are getting on with the new KJ Skills Cards. They are designed to highlight strengths and weaknesses in your students game. The stats are determined by specially designed skills tests created by the KJ Golf Professionals.

THE SCHEDULE EACH TERM

- WEEK 1 PUTTING
- WEEK 2 CHIPPING
- WEEK 3 PITCHING
- WEEK 4 IRONS
- WEEK 5 DRIVING
- WEEK 6 POWER

The students will receive electronic skills cards every term. The skills cards will highlight their strengths and weaknesses and help parents understand what they need to practice outside of school.

KJ Golfs video tutorials and private lessons provided should be used to improve on the weaknesses.

ITS ALL ABOUT THE KJ CARDS!

Each term juniors will be monitored on each area of the game. Results will go towards their KJ Card statistics.

At the end of each term students will receive their latest KJ Skills Cards!

COACHING VIDEOS

Coaching videos are provided to all school players to encourage them to practice in their own time. These are simple coaching videos of each aspect of the game taught and tested in the academy- provided by the KJ Golf Professionals (Kegan, Dan and Mikey).

The following categories are provided:

- **PUTTING**
- **CHIPPING**
- **PITCHING**
- **BUNKERS**
- **IRONS**
- **DRIVING**
- **POWER**
- **PHYSICALITY**
- **COURSE MANAGEMENT**

CLUBS AND EQUIPMENT

All equipment is provided during schools coaching. We use GolPhin's Flipper equipment.

If the students/parents wish to purchase their own clubs to practice outside the school sessions then come to us! KJ Golf have a great shop and offer 15% off to all juniors in the schools programme/academy. Having the correct golf equipment is crucial for junior development. Our pros will advise if any equipment is not suitable and will offer a free fitting to ensure your junior is kitted out correctly.

We will always try and help as much as possible with price with our discount and 0% interest scheme. We even offer a trade in system with clubs purchased by us.

Usual PE kit will be suitable at each golf session. You will also receive KJ merchandise and wristbands so you can show off the academy to all!

Get in touch with Liam if you need any equipment.

PATHWAY INTO GOLF

KJ GOLF ACADEMY
